Professional Experience

Markus Rotterdam is Glaholt LLP's Director of Research. In that capacity, he is responsible for developing legal arguments and solutions when the firm's lawyers are presented with complicated, critical legal issues. He is also responsible for all research for the firm's various publications.

Markus has co-authored several books on construction law and alternative dispute resolution with Duncan Glaholt and has published numerous articles and presentations on those topics. He has provided the primary research and front-line editing for Duncan's other books: *Construction, Builders' and Mechanics' Liens in Canada*, 7th edition (Carswell, 2005), *Conduct of a Lien Action* (Carswell), *Annotated Ontario Construction Lien Act* (Carswell) and *Conduct of a Trust Action* (Carswell).
